WHO ARE WE?

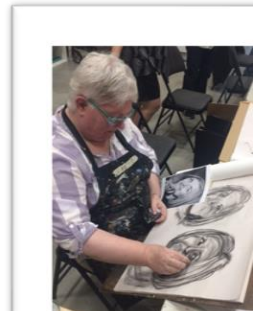

The Barrie Art Club (BAC) was founded in 1949, in the City of Barrie, Ontario. Over the past half century it has grown into a vibrant community resource for professional and amateur artists alike, as well as artists-at-heart (those wanting to learn or those just wanting to appreciate art).

The BAC has grown to over 200 artists working in and around the Barrie area. Our gallery/studio is open weekdays with art for appreciation and sale. Our members can be found working in a variety of mediums; we welcome everyone from painters to photographers, to fabric artists, anyone with a love to create.

WHAT WE OFFER YOU ...

- Workshops with talented instructors at great rates
- 'Drop Ins' in all mediums which run throughout the week (most are free)
- Opportunities to display your artwork (members exhibitions)
- Monthly 'Art Talk' meetings
- Participation in local art shows
